Frank S. Glogowski, Principle
FSG Design
604 Golden Ridge Court
Cranberry Township, PA 16066

Dear Mr. Glogowski,

I would like to convey my appreciation for the guidance and expertise you provided in the construction of automotive class surfaces. I was particularly impressed with your design approach and expert knowledge using Pro/Engineer. Thanks again for your professionalism and attention to detail while working with me on recent surfacing projects.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Rublee", with a long horizontal line extending to the right.
